21st Annual Best Places to Work in Kentucky Award Winners Announced

FRANKFORT, Ky. (03/07/2025) – The [Kentucky Chamber of Commerce](#), the [Kentucky Society for Human Resource Management](#) (KYSHRM) and [CHI Saint Joseph Health](#) announce the 100 companies (in alphabetical order) that made the **21st Annual Best Places to Work in Kentucky** list. The winner rankings will be announced at an awards dinner **Thursday, May 22, 2025**, at the Central Bank Center.

Winners from across the state have been selected in three categories: small companies of 15-149 employees, medium companies of 150-499 employees and large companies consisting of more than 500 employees (categories based on number of U.S. employees, only Kentucky employees surveyed). The selection process, managed by Workforce Research Group, is based on an assessment of the company's employee policies and procedures and the results of an internal employee survey.

The competition is a multi-year initiative designed to motivate companies in the Commonwealth to focus, measure and move their workplace environments toward excellence. Numerous studies show a strong correlation between profitability and creating a good place to work.

For over 75 years, the Kentucky Chamber of Commerce has represented the interests of member businesses throughout Kentucky – from family-owned shops to Fortune 500 companies. As the state's premier business advocate, the Kentucky Chamber is a recognized and respected voice across the Commonwealth, working every day to unite business and advance Kentucky.

Kentucky SHRM consists of 12 local chapters that provide ongoing education and leadership opportunities for over 3,000 human resource professionals throughout the Commonwealth.
